

Multiple Vacancies at Skaih Pre-University in Curaçao.

In an inspiring setting, students at SKAIH Pre-University learn and develop into the people they want to be. We aim for our students to become successful, inquisitive, and responsible with a strong global network.

SKAIH Pre-University in Curaçao has multiple vacancies. We are currently looking for teachers of **Physics, Chemistry, Mathematics, Integrated Science, Biology, Principals of Business, Economics, Integrated Science, Information Technology, Theatre Arts and Physical Education** that can teach the CSEC curriculum of these subjects. Candidates must be enthusiastic, dedicated and must have experience in inspiring students to develop their skills.

The successful candidate will commence on August 1st, 2022 and will work with their respective department to ensure that learners develop the skills that prepare them for higher education. The candidate will engage students in interactive learning. A key part of the role is to work with students in our CSEC program, preparing them in the curriculum and for their final assessment/exam.

In addition to teaching, the candidate should be enthusiastic about contributing to the wider community, both through extracurricular activities and through occasional support after school hours.

REQUIRED

- A Master's and teaching qualification with specialization in the subject area. A minimum of a Bachelors (Hons) in the subject and fully qualified to teach the upper secondary students.
- At least 3 years of teaching experience within the CXC context at CSEC /CAPE level.
- A good command of the English language [native speaker or Cambridge level C1 / C2].
- An excellent team player and willing to work collaboratively.
- Computer literate experience with digital learning and differentiation is an asset.
- Flexibility and the desire to be a part of a dynamic school community.
- Willingness to familiarize with the local language Papiamentu.

WE OFFER

A 1.0 FTE position in an international team. Salary and benefits will be reflective of the candidate's qualifications and experience. The position is for a period of 1 year with a possibility of extension or permanent appointment.

PROCEDURE

Interested candidates are invited to send their letter of motivation and their curriculum vitae in English to the attention of Ms. Aisha Gijsbertha-Leer to info@skaihpreuniversity.com with the subject title: Sciences Vacancy.
